

# TEAM 1 Status Report #15

Date: 4/9/2025

Accomplishments	Notes	Date
Send messages and add that to firebase		4/9
Update calendar event and has week display too		4/9
Fix profile page		4/9
Connected resources from backend to frontend		4/9

## Plans (for next meeting):

- Fix styling for calendar page
- Style the chat messages
- Secure inputs for resources page
- Create professor and student json

## Blockers:

## Notes:

Assignments for next week:

1. Make sure that the resources form inputs are secure (aditya, ryan)
2. Add consistent styling to chat page (grace)
3. Add some more styling to the calendar page to match our application (morgan)
4. Create json that holds the student RINs for that class (joe)
